EXPERIENCE

Anh Duong center (ADC): Experience in educational support, scholarship management, early intervention support for children with special needs, and livelihood support. Skills in coordinating with teachers, local authorities, and parents to improve the academic outcomes of disadvantaged children.

Vice Project Director/Head of Health & Education Programs from 2015 to present (10 years)

- Support over 150 scholarship students, monitor their academic progress, and visit their families.
- Accompany children with special needs in early intervention programs.
- Monitor and support livelihoods for over 300 households in the project area.
- Collaborate closely with teachers and social workers to monitor underperforming students.
- Build trusting relationships with disadvantaged families to reduce the risk of school dropout.

Volunteer → Project Assistant – ADC (2012-2015)

- Support in organizing community meetings, awarding scholarships, and providing livelihood training.
- Coordinate with teachers in monitoring students at risk of dropping out.
- Collect M&E data and provide administrative support for the project.
